Re: Docket No. T-03727A-11-0360; In the Matter of the Application of DSLnet Communications, LLC to Cancel its Certificate of Convenience and Necessity –  
**CONSUMMATION NOTICE AND REQUEST TO CANCEL AUTHORITY**

Dear Sir or Madam:

DIECA Communications, Inc. d/b/a Covad Communications Company (“DIECA”), on its own behalf and as successor in interest to DSLnet Communications, LLC (“DSLnet,” and together with DIECA, the “Parties”), notify the Arizona Corporation Commission (“Commission”) that on December 31, 2011, DSLnet and DIECA completed a *pro forma* transaction whereby DSLnet merged with and into DIECA with DIECA surviving the merger.<sup>1</sup>

As a result of the *pro forma* transaction, DSLnet no longer exists as a separate entity, no longer offers services in Arizona, and therefore no longer requires its authorizations. As such, the Parties hereby request that the Commission cancel DSLnet’s authorizations to provide intrastate telecommunications and rescind any and all tariffs on file with the Commission. In Arizona, DSLnet is authorized to provide competitive local exchange telecommunications services and intrastate interexchange telecommunications in the State of Arizona pursuant to Decision No. 62409 granted by the Commission in Docket No. T-03727-99-0193. Because DSLnet does not serve any intrastate telecommunications customers in Arizona, the Company respectfully submits that the surrender of its authorizations is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.

MegaPath, successor-in-interest to DSLnet, requests the Commission formally release the DSLnet bond on file with the Commission. Accordingly, enclosed please find a Bond Release for execution by the Commission. Please return the original executed release in enclosed postage-paid envelope.

<sup>1</sup> The Commission approved the Application on May 1, 2012 via Decision No. 73147.
